To Whom It May Concern

This is to certify that Mr. Ali Raza completed his internship as a Data Science Intern at TAKMIL Foundation under the supervision of Mr. Ahsan Zaman from July 10, 2024, to October 10, 2024.

During his internship, Mr. Ali demonstrated a strong command of data analysis, data cleaning, and visualization. His projects included cleaning and analyzing datasets (such as Nashville Housing, E-commerce Store Orders, and COVID data) using **Python** (Pandas, Numpy) and **SQL** (PostgreSQL). He also developed interactive dashboards in **Power BI** for projects like Data Science Jobs, ATM Transactions, and Food Court sales, providing valuable insights for TAKMIL's data-driven decision-making.

Key skills Mr. Ali displayed include proficiency in **Python, SQL, Power BI, and data visualization**. His final project, analyzing and modeling multiple school datasets, highlighted his ability to synthesize complex data for strategic insights. Mr. Ali also utilized Figma and Mookup.ai for enhanced dashboard design and GitHub for version control, reflecting his versatility in modern data tools.

We thank Mr. Ali for his valuable contributions and wish him every success in his future endeavors.

Sincerely,
HR Coordinator
TAKMIL Foundation
